## **ST. ANTHONY OF PADUA**

St. Anthony of Padua, our Patron Saint, was born in Portugal and the name given him at Baptism was Ferdinand. At the age of 15, he entered the Augustinian Order and spent all of his time in prayer and study.

When he was 25, he heard about some Franciscans who had been martyred by the Moors in China. From then on he felt a strong desire to die for Christ. He joined the Franciscans who had been founded only a little while before and took the name of Anthony. Then, he went off to Africa to preach to the Moors. He soon became so sick that he had to leave. No one in his new order knew what a brilliant mind he had because he kept his talents hidden. So, he was sent to a lonely hermitage in Italy and there he washed pots and pans and did other humble chores.

Our Lord, however, wanted St. Anthony to save many souls by preaching. One day, at a gathering of many priests, it was suddenly discovered that there was no preacher! Anthony was told to get up and give the sermon as best he could. How amazed everyone was when he preached a marvelous sermon full of wise and holy thoughts. From then on, until he died nine years later, St. Anthony preached all over Italy. Often churches could not hold the crowds and then he would preach out in the open. Heretics, criminals and sinners of every kind were converted. Anthony was short and rather plump, but he had such virtue and such love for sinners that just the sight of him was enough to make many repent and confess their sins.

So many miracles have taken place and so many people have obtained favors by praying to him that St. Anthony is famous as the "Wonderworker".

### **A BRIEF HISTORY OF ST. ANTHONY OF PADUA SCHOOL**

Also, if a student checks out of school before 3:00 p.m. that student will be counted absent ½ day. On the day of return from an absence the parent/guardian is to send a written excuse with his/her child specifying the reason for the absence. When a student returns from an absence he/she must be prepared to take any missed test on the day following the day they return to school.

-If your child is absent you need to collect assignments. The assignments and texts will be gathered for you and may be picked up no later than 3:10 p.m. in the main office.

## TYPE OF STUDENT ABSENCES ARE:

- A. **Excused:** Only if the student brings a note from a doctor (or in case of death of a close family member from the funeral director). The child will be able to make up work missed. The day(s) will be counted as an absence(s), but it will not affect the total number of absences needed for promotion to the next grade.

Make-up work does not have to be supplied by the teacher for unexcused absences. It is done at the teacher's discretion. Make-up work or tests not completed within **three** school days after an excused absence shall be counted as grades of 50 (fifty).

## ILLNESS POLICY

The intention of this policy is to provide a healthy and safe environment for our students. Some illnesses and situations require a child to be absent from school to prevent the spread of infection to other children and to allow the child time to rest, recover, and be treated for the illness. In order to help keep our children healthy, St. Anthony School requires adherence to the guidelines of this policy. This policy is based on infection control recommendations outlined by the CDC and the American Academy of Pediatrics.

If a student arrives at school with symptoms, or begins to show symptoms indicative of a condition listed below

during the school day, a parent/guardian will be contacted and asked to pick the child up as soon as possible. The parent/guardian needs to maintain direct contact with the school administration and the student's teacher if the child is diagnosed with any communicable disease so that the school can take appropriate steps to protect the entire student population.

9. A **Car Rider Form** needs to be filled out for your children and a sign bought from the school for \$1 if your child is picked up by car on a daily basis. You will need this sign to go through the car rider line or may give the sign to people authorized to pick up your child. Additional signs may also be purchased for multiple vehicles.  
-If your child normally rides the bus or goes to Homework House and will only be picked up by car occasionally, you may send a note to his/her teacher so that they can be put in the car rider area for that day. Be sure to put the name of the person who will be picking up your child.

### **EMERGENCY CLOSING OF SCHOOL (In case of emergency or inclement weather)**

It is our policy to close only when the Avoyelles Parish Superintendent announces that all schools in Avoyelles are closed. Radio stations KLIL (92.1-Moreauville) and KAPD (97.7-Marksville) will make the announcements. If it is announced that all Avoyelles Parish Public Schools are closed, (or are closing), due to weather or other emergency, St. Anthony will close also. Parents are also notified by phone of an impending closure.

### **CURRICULUM**

The plan of learning for each grade level is designed to provide learning experiences that are necessary for each student's moral, spiritual, intellectual, social, emotional, and physical development. The Diocese of Alexandria curriculum guidelines are consistent with the state of Louisiana standards and are followed for the teaching of all secular subject areas.

Because of the nature of St. Anthony School as a Catholic institution, religion is the most important subject that all students study. If a student fails religion for the academic school year he/she will not be promoted to the next grade.

### **GRADES**

Several factors are utilized in composing grades. There are tests, daily quizzes, class participation, homework, special assignments, reports or any activity to which a teacher assigns a grade. Teachers are required to give a minimum of eight (8) grades in a nine weeks (9) grading period unless an exception is made by the administrator.

|  |                     |                     |                           |
|--|---------------------|---------------------|---------------------------|
| On individual tests or assignments numbers are used to represent a numerical grade as follows: |                     |                     |                           |
| <b>100 = A+</b>  | <b>93 – 92 = B+</b> | <b>85 – 84 = C+</b> | <b>75 - 74 = D+</b>       |
| <b>99 – 96 = A</b>   | <b>91 – 88 = B</b>  | <b>83 – 80 = C</b>  | <b>73 - 72 = D</b>        |
| <b>95 – 94 = A-</b>  | <b>87 – 86 = B-</b> | <b>79 – 76 = C-</b> | <b>71 - 70 = D-</b>       |
|  |                     |                     | <b>69 &amp; below = F</b> |

Numerical grades are recorded on student cumulative folders, duplicate report cards and are used in ascertaining the GPA for academic awards and class standings. Numerical grades are also recorded on student report cards.

A numerical grade is assigned for conduct. The conduct grade is used in determining Principal's List and Honor Roll. In ascertaining the GPA for academic awards and class standings, P.E. grades and conduct grades are NOT included. It is also used to determine eligibility for Beta Club.

Skills assessment reports will be issued for Montessori students.

### **PROGRESS REPORTS**

- At the end of the 4th week of each 9-week period students with grade averages of 75 or below will receive a progress report from the teacher. Parents/Guardians are to pay close attention to student's grades and make an appointment with the child's teacher when a grade is "D" or below.

- Students are recognized at the end of each nine-week period if they have attained Principal's List or Honor Roll.
- Parents/Guardians are kept informed of a student's progress throughout the year but are formally informed of possible non-promotion at the end of the second nine-weeks grading period.

## PROMOTION REQUIREMENTS

### School Attendance Requirements

Students in Grades K – 8 must attend a minimum of 160 days per school term to be considered for promotion. Exception can be made only in the event of extended /personal illness as verified by a physician and/or other extenuating circumstances as approved by the principal. The school day shall be a minimum of 330 minutes and 172 days of school is scheduled for Grades Pre-Kindergarten through eight. **A student may not have more than 13 unexcused absences during the school year.**

St. Anthony School follows the Handbook of Policies for Catholic Schools Diocese of Alexandria guidelines as set forth in section 7240 which states, "The promotion or retention of a learner should be based on primarily the degree of achievement of the specific objectives of the grade or course. A learner who has not achieved satisfactorily in a grade or subject should repeat the grade or subject." Section 7250 states, "In order to progress from one grade to another at the elementary level in the Diocese of Alexandria, a student shall fulfill the basic requirements of the school, shall be approved by the school authorities, and shall have earned credit in those courses which would enable him or her to meet the state diocesan requirements. Even if a student has earned the required number of quality points, he/she must have a passing grade for the last grading period."

If a student completes the very minimal requirements for his/her grade, but his/her teachers recommend he/she be retained, a letter to that effect is given to the parents/guardians. If the parents/guardians choose to move the student to the next grade, the parents/guardians will sign the teacher recommendation and a copy of the letter is placed in the student's file. The student can be advanced to the next grade on a probation and may be moved back to the previous grade if the child is not successful during the 1<sup>st</sup> 9 weeks.

If the student earns an F for the last grading period a Special Test will be given. A passing grade on that Special Test must be earned or the student will fail that subject for the year. Even with taking the Special Test no grade higher than a D may be earned for the last grading period. (This Special Test will not be considered in determining the G.P.A. St. Anthony of Padua School adds the following requirement: A student must earn a passing grade of D or better in the subjects of Religion, Reading, Mathematics, English, Science and Social Studies for the last grading period.

A student that does not master the requirements for promotion for Reading, Math, English, Science or Social Studies may be considered for promotion in that subject should he/she attend summer school and successfully complete the course.

## **A local promotional consideration**

After being retained once, exception to the following physical/social maturation age rule may be determined by a consensus of the school level committee made up of the principal and the teacher(s) involved with teaching the student.

Rule: Grades                      Number of Retentions Recommended  
K-8    once per grade

Additional information about accelerated programs, transfer of students, policies, or records and report cards and due process are available in the principal's office at St. Anthony of Padua School.

## **GRADUATION**

The awarding of the St. Anthony of Padua School diploma is in recognition of a young person's satisfactory completion of requirements for his/her eight elementary years. Students must have successfully passed religion courses to be eligible for a St. Anthony diploma; otherwise, students will be issued a state diploma. Students not meeting all diocesan and school requirements shall not be eligible for graduation. Additionally, violation of school regulations may result in a student's not being permitted to participate in graduation ceremonies. **\*Students owing fees will not be allowed to graduate.**

Service Hours is an additional requirement that has been added in order to best illustrate that we are a Catholic school with a mission to form the whole student to achieve personal excellence through the maximum spiritual, physical, emotional, social and academic growth. A minimum of 10 service hours is required to participate in graduation.

The boy with the highest academic average will receive the Knights of Columbus Award. The girl with the highest academic average will receive the Catholic Daughters of America Award. A student must be enrolled in St. Anthony of Padua School (or another Catholic school) at least three consecutive years (grades 6, 7, 8) to be eligible for these awards.

## **APPOINTMENTS**

If you need to see a teacher, please give the teacher notice so he/she can prepare for you. It is necessary for you to report to the office before conferring with a teacher.

**Please DO NOT call or text the teacher or principal at home.** Teachers have been advised that they do not have to have conversations over the telephone with the students or with parents after school hours. Please contact them at school as that is where records are available. Teachers will return your calls as soon as available. Email is often the best way to reach the principal or the teacher. Call the office to get any email address you need or you can find them on our website.

## **Homework Policy**

Students who complete homework often have better report card grades and higher achievement test scores. Teachers believe that homework improves student understanding and retention. It improves student study skills and doing homework reinforces the idea that learning can take place anywhere not just in the classroom. St. Anthony School teachers use homework for various purposes: as preparation for upcoming class lessons; as practice for ongoing learning; and as extensions for ongoing lessons or recently completed subject topics. Homework also serves as study aids for upcoming tests.

Most homework assignments begin in class. Students are given time during the class period and during the school day to complete assignments. Teachers verbally remind students to do homework while in class. Work not completed in class is brought home for completion.

Parents/Guardians, many times, are involved in their child's homework activities. It is checked, however, and students have feedback on their work. In checking homework assignments teachers have the opportunity to see how well students have understood the aims/objectives of the assignment. If necessary, teachers re-teach the material not understood. Please make every effort to check on your child's homework for completion and that it is their own work.

## **TEXTBOOKS**

- Students must pay for damaged or lost books.
- Parents can request to have a home copy of textbooks. If the school owns an extra copy, a \$10 fee will be charged per book and is expected to be returned at the end of the school year in same condition it was given. If the book is damaged or not returned a replacement amount will be charged.

## **LIBRARY**

- One regularly scheduled library instruction period is provided for each class in grades 1-8 every week.
- A fine of 5 cents per day will be charged for overdue library books. No student is to be issued a report card, nor

will his/her records be transferred to another school if he/she owes the school a fine or if he/she has not returned all library books. Replacement cost fee will be assessed for lost library books.

### **CELL PHONE POLICY**

No student will be allowed to possess a phone during school hours. Cell phones have become a way of life, a technological convenience that has impacted all of our lives in one way or another. However, in the school environment, cell phones have become a distraction, interruption, and a method of illegal exchange of information. The ringing of the cell phone during class or the text-messaging takes away from the valuable time needed for instruction and most importantly, student learning. We do recognize that cell phones can be a safety/security tool; however, they can be a detriment in the event of a building emergency and our protocol to manage such emergencies in a safe and effective manner. Parents are urged to utilize the school phone to relay any messages that may be urgent in nature to their child. We will do our best to relay any urgent information to your child.

*\*If a student is found to be in possession or use of a cell phone, the phone will be confiscated, placed in a labeled envelope, and delivered to the office. A parent or guardian will need to sign for the cell phone with a \$20 fee for the inconvenience.\* If there are extenuating circumstances for your child to need a cell phone, they are to check it into the principal's office with a signed note from the parent.*

St. Anthony School reserves the right to search a student's bag or person including, but not limited to electronic devices.

### **WATER BOTTLE POLICY**

SAS students will be allowed to have water in the classrooms with the following considerations:

- The container must contain water and water only. No juice, soda, addables, or energy drinks.
- The container must have a closeable lid of some sort; this will be a screw on lid or a push top.
- The student will be responsible to fill the bottle between classes. A student may not leave class to fill a bottle.
- Bottles are not to be in close proximity to any technology (computers, overheads, document cameras, smart writes, or projectors). Water will not be allowed in any computer class or computer lab, as well as the library.
- Water bottles are not to be played with on school grounds. This includes throwing the bottle or pouring the contents of the bottle onto another student or teacher.

*Any failure to follow the policy will result in the student losing the privilege of having water in the classrooms.*

### **STUDENT RECORDS**

It is the right of every parent/guardian to examine his/her child's cumulative record folder. Any such request, though, is addressed to the principal a day prior to the examination. When a student transfers to another school from St. Anthony of Padua, student records will be sent when requested by the receiving school provided there are no school debts owed and all books have been returned. At the end of the academic school year report cards will be held for students owing any school debts to St Anthony of Padua School, including tuition, fundraiser money, athletic (sports) uniforms, library fines and other fees. When the debt is cleared the report card and/or records will be released.

### **GUIDELINE FOR ELIGIBILITY IN SPORTS**

1. A student must have a 76.0 GPA or better at the end of the grading period in order to participate in sport activities/cheerleading. (Grades in the following subjects are included when averaging: Religion, Reading, English/Spelling, Math, Social Studies, and Science. P.E. and conduct are not included in averaging the 76 GPA)
2. If a student has a GPA lower than a 76.0, that player will be allowed to participate in practices and may not play until the next averaging period. If he/she has raised his/her average to a 76 by the next averaging period, he/she may play. Students must also maintain a conduct grade of 76/C or higher. Grades will be averaged every 4 weeks.
3. Coaches and students will be notified by the teachers or principal on academic eligibility. If an ineligible player plays, he/she will receive an infraction for willful disobedience.
4. If an athlete is guilty of a major infraction, the student may be suspended from participating in practice or game. The principal and athletic director will decide on action to be taken.

#### **If there is a problem in regard to athletics,**

- The first course of action to resolve the matter is to set up a private meeting with the coach or staff member. The complaint may ask that the athletic director and/or principal be present at the meeting also.
- If this does not resolve the problem, the next step is to set up a private meeting with the athletic director. In the event this does not resolve the matter, a meeting with the principal should be arranged.
- Finally, if satisfactory adjustments and/or explanations are not made, a conference with the pastor may be arranged.

We know that problems sometimes arise during athletic events, but we ask that complaints be made after the event, when

tempers have cooled and the proper procedures can be followed. At the beginning of the school year, parents/guardians of children who play sports will be asked to sign a Code of Ethics for parental behavior.

**PLEASE SEE ATHLETIC HANDBOOK FOR ALL RULES AND REGULATIONS.**

**INTERNET USE**

St. Anthony School is happy to be able to offer Internet access to our students and staff. We believe the Internet offers vast, diverse, and unique resources. In providing this service, we aim to promote educational excellence in school by facilitating resource sharing, innovations, and communication.

Families should be aware that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet, which could result in unwanted financial obligations for which a student's parent or guardian would be liable. SAS makes no warranties of any kind for the Internet access it is providing and will not be responsible for any damages users suffer, nor for the accuracy, nature, or quality of information gathered.

While our intent is to make Internet access available in order to further educational goals and objectives, students may find ways to access other material as well. Even should we institute technical methods or systems to regulate students' Internet access, those methods could not guarantee compliance with this Internet Use Agreement. Yet, we believe that the benefits of students accessing the Internet exceed any disadvantages.

Ultimately, however, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. Outside of school families bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, radio, movies, and other possible offensive media.

Students utilizing school-provided Internet access are responsible for good behavior online just as they are in a classroom or other areas of the school. The same general rules for behavior and communications apply.

**Internet Terms and Conditions**

1. **Acceptable Use:** The purpose of using the Internet at SAS is to support education and to provide access to unique resources and the opportunity for collaborative work. The use of the Internet must be in support of education and research and consistent with the educational objectives of SAS.
2. **Privileges:** The use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of those privileges.

  - All communications and information accessible via the Internet should be assumed to be private property and students should observe copyright laws at all times. Use of any information obtained via the Internet is at your own risk. SAS makes no guarantees of any kind about the accuracy or quality of information found on-line.
  - iPads are to be used strictly for educational use. No filming of students and teachers is allowed.
4. **Vandalism:** Do not damage any school computer system. Never move, delete, or trash any applications for files that are not yours.
5. **Uploading and Downloading:** Students are not to load or copy any programs or files onto the hard drives of any computer from any drive, computer, network, or any Internet site unless instructed to do so by the teacher or school official.
6. **Other:** The administration at SAS will deem what is inappropriate use, and the decision is final.

Students who violate these terms and conditions will lose computer use privileges and be subject to other disciplinary actions deemed appropriate by the administration.

If a student receives an at-home suspension that student will not be allowed to make up work and will be given a grade of “50” for any missed tests. If a student receives a suspension the conduct grade will drop five (5) points.

If a student is guilty of a major infraction the Behavior Report is completed and sent to the principal. The principal will decide on the action to be taken.

If a student is guilty of minor infractions the teacher will complete a Behavior Form. A copy will be sent home to parents. After 3 minor infractions the teacher will notify the principal. The principal will decide on the action to be taken, usually after school detention. After 3 detentions, an in-school suspension will be issued. ## **BULLYING**

St. Anthony believes that all students have a right to a safe and healthy school environment. All schools have an obligation to promote mutual respect, tolerance, and acceptance among students, staff, and volunteers. Behavior that infringes on the safety of any student will not be tolerated. A student shall not bully or intimidate any student through words or actions. Such behavior includes, but is not limited to direct physical contact, verbal assaults, the use of electronic methods, and social isolation and/or manipulation.

Bullying is defined as: A pattern of one or more of the following:

(a) Gestures, including but not limited to obscene gestures and making faces. (b) Written, electronic, or verbal communications, including but not limited to calling names, threatening harm, taunting, malicious teasing, or spreading untrue rumors. (c) Physical acts, including but not limited to hitting, kicking, pushing, tripping, choking, damaging personal property, or unauthorized use of personal property. (d) Repeatedly and purposefully shunning or excluding from activities. Where the pattern of behavior is exhibited toward a student, more than once, by another student or group of students and occurs, or is received by, a student while on school property, at a school-sponsored or school-related function or activity, in any school bus or van, at any designated school bus stop, in any other school or private vehicle used to transport students to and from schools, or any school sponsored activity or event.

The pattern of behavior must have the effect of physically harming a student, placing the student in reasonable fear of physical harm, damaging a student’s property, placing the student in reasonable fear of damage to the student’s property, or must be sufficiently severe, persistent, and pervasive enough to either create an intimidating or threatening educational environment, have the effect of substantially interfering with a student’s performance in school, or have the effect of substantially disrupting the orderly operation of the school.

St. Anthony's policy prohibiting bullying is included in the student code of conduct and includes but is not limited to the following:

- Any student who engages in bullying will be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the principal and/or teacher.
- School staff and/or administrators will promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or parent of the student feels that appropriate resolution of the investigation or complaint has not been reached after consulting the school principal, the student or the parent of the student should contact the diocese superintendent.
- The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

All students and/or staff shall immediately report incidents of bullying, harassment or intimidation to the school principal. School staff members are expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying shall be promptly investigated. This policy applies to students on school grounds, while traveling on a school bus to and from school, or a school-sponsored activity, and during a school-sponsored activity. Bullying and intimidation will not be tolerated. Disciplinary action will be taken following each confirmed incident of bullying.

Disciplinary action after the first incident of bullying may include but is not limited to the following:

- Loss of a privilege
- Reassignment of seats in the classroom, cafeteria or school bus
- Reassignment of classes
- Detention
- In-school suspension
- Out-of-school suspension
- Expulsion
- Assignment to an alternative school

If necessary, counseling and other interventions should also be provided to address the social-emotional, behavioral, and academic needs of students who are victims of bullying and students who commit an offense of bullying.

Students, parents/guardians and other school personnel may report incidents of bullying to an administrator, teacher, counselor or other staff member orally or in writing by using the appropriate form.

The school faculty, under the supervision of the Principal, is responsible for maintaining discipline in the school that is in accord with Christian principles. **TEACHERS have full permission to correct any pupil who violates the rules of the school and teacher judgment will be the deciding factor.**

**THE PRINCIPAL IS THE FINAL RECOURSE IN ALL DISCIPLINARY SITUATIONS AND MAY WAIVE ANY DISCIPLINARY RULE FOR JUST CAUSE AT HIS/HER DISCRETION.**  
**GRIEVANCE PROCEDURE**

Teachers, staff members and parents with a grievance (hereafter referred to as the INDIVIDUAL) should discuss it with the person with whom they have the grievance.

Should this step not provide a satisfactory solution, the INDIVIDUAL can request a review of the alleged grievance with the PRINCIPAL. This request should be made by the INDIVIDUAL within **ten working days** of the original discussion between the parties involved. The PRINCIPAL will review the grievance and respond within ten working days following the receipt of the INDIVIDUAL's request.

In the event the PRINCIPAL is unable to resolve the grievance, or if the grievance directly involves the PRINCIPAL, the INDIVIDUAL can request the PASTOR to review the grievance.

If no solution or satisfactory response is made within fifteen working days and the INDIVIDUAL wishes to pursue the matter, a formal written grievance can be filed with the SUPERINTENDENT OF CATHOLIC SCHOOLS.

Upon receipt of this written grievance, the complaint can either be heard by the SUPERINTENDENT alone or the SUPERINTENDENT may establish a formal committee to hear the complaint. The SUPERINTENDENT's decision will be final. The INDIVIDUAL will have the right to present testimony, introduce evidence directly or through witnesses and have a representative of his or her choice, if desired.

An INDIVIDUAL filing a grievance is acting fully within his/her rights. No reprisals of any kind shall be taken against the employee or any participants in the grievance procedure. A grievance may be withdrawn at any level without prejudice or record.

**Under no circumstances should a grievance be presented to the School Advisory Committee.**

Families can budget their tuition making private school more accessible and affordable. For the 2019-2020 year it will be mandatory, as this is a better system for parents and the school.

## **RECESS**

The 2008 Physical Activity Guidelines for Americans recommends that children and adolescents engage in 60 minutes of physical activity each day. Being physically active can improve strength and endurance, help build healthy bones and muscles, help control weight, reduce anxiety, stress, and depression, improve academic achievement, and increase self- esteem for children and adolescents.

Recess can help students increase their daily physical activity and contribute to getting the recommended 60 minutes of physical activity each day. Recess also is an essential part of students’ school experience that contributes to their normal growth and development. Recess helps students practice social skills (e.g., cooperation, following rules, problem- solving, negotiation, sharing, communication), positively engage in classroom activities (e.g., being on-task, not being disruptive), and enhance cognitive performance (e.g., attention, memory).

Students at St. Anthony are already active with a schedule that allows for 30 minutes of Physical Education. In an effort to comply with national wellness standards, St. Anthony School will be extending morning recess time for elementary grade students by 5 minutes per day. Junior high students will walk in the gym for 5 minutes during their homeroom time each morning in an effort to increase physical activity.

## **UNWRITTEN REGULATIONS**

This policy booklet is limited in content. Due to living in a constantly changing world emphasis has been placed only on those things that are deemed most beneficial to the students and parents/guardians of St. Anthony of Padua School at the present time.

**It would be impossible to cover all problems that may arise. Each year a few distracting things, including some “fads,” show up on our school grounds. We are not listing any of these, but when any “fad” gets started in our school and abuse develops, we shall immediately endeavor to eliminate that abuse. Anything that distracts from the spirit, education, philosophy or dignity of St. Anthony of Padua School will be controlled by the principal/pastor. The principal and /or the pastor are the final recourse in all disciplinary situations and may waive any and/or regulations for just cause at his/her discretion.**

**St. Anthony School reserves the right to amend handbooks and change policies at any time with proper notification of those affected.**
